

Stop Making Sense

Character Guide

Stop Making Sense is a concert with eleven songs. The show includes four main elements:

- **Singers**
- **Musicians**
- **Dancers**
- **Projected Videos**

During the show, you will see all four of these elements, both together and separately. Some of the people on the stage have one role (for example, only singing), and others have multiple roles (for example, a singer might also dance). One of the dancers wears an oversized suit, while everyone else wears simple costumes.
